

Board Policy

Code No. 302

SUPERINTENDENT OF SCHOOLS

The Board employs a Superintendent of Schools to serve as the chief executive officer of the Board. The Board delegates to the Superintendent the authority to implement Board policy and to execute decisions made by the Board concerning the internal operations of the school district, unless specifically stated otherwise.

The Superintendent is responsible for the implementation and execution of Board policy and the observance of Board policy by employees and students. The Superintendent is responsible for overall supervision and discipline of employees and the education program, and for the enforcement of all provisions of the law relating to the operation of the schools.

While the Superintendent is ultimately responsible for the operations of the school district, duties associated with this task may be delegated. For this reason, policy which indicates Superintendent responsibility for specific tasks may also include his/her designee.

In executing the above-stated duties, the Superintendent will consider the financial situation of the school district as well as the needs of the students.
