What is Kids Night Out?

YMCA Staff will watch your children, feed them dinner, and have loads of fun activities for them while parents have an evening to run errands, go to dinner, or enjoy a few hours of peace and quiet. The Y Youth Development Staff are all certified in CPR/AED, First Aid, and are certified Mandatory Child Abuse Reporters. If your child is planning to swim, please have them come in their swimsuit. If your child is not swimming, we will have other activities planned. Swim time will be guarded by certified lifeguards, and Youth Development staff will also be swimming with them.

Activities include swimming, games, open gym time, crafts, and much more!

Ages: 3-12 years old
