### BELIEFS

We Believe:

- Excellence in student learning is the hallmark of our school district and our measure of accountability.
- High expectations for students, staff, parents, and community lead to excellence.
- Although not all students learn at the same time or in the same manner, all students can and shall learn.
- Family / Community support and involvement are critical to student success.
- It is essential for staff to be motivators, innovators, and professional role models in order to best meet the needs of our students.
- Student learning occurs best in a safe, nurturing, caring, respectful, and positive environment supported by quality facilities and resources.
- Basic academic skills are the foundation for successful lifelong learning.
- Rigorous and relevant learning experiences encourage intrinsic motivation and self discipline by challenging our students to think and solve problems creatively.
- A quality school district embraces diversity and promotes mutual respect.
- A quality school district seeks continuous improvement.
- A quality school district is responsive and accountable.
- Visionary leadership to achieve the goals of our school district is a shared responsibility of staff, students, parents and community.
