

Eastern Iowa Community Colleges are embarking on our fourth year of **expanded summer camps for K-12 students**.

These full-day and half-day camps provide opportunities for creation AND recreation with a variety of topics. Camps will be hosted at several locations throughout our three-county service area and are designed to connect kids to new STEM skills and new friends.

Here's a quick look:

- Outdoor wilderness
- Robotics
- Career exploration
- College readiness
- Culinary and cooking
- Drones
- Computer coding and video game development
- Stop-action movie making
- YouTube TV studio
- Basic animal care
- First Car Smarts
- Zombies!

All information, including full camp descriptions and registration, is provided on the link at www.eicc.edu/summercamp
