INTERNET ACCESS DENIAL FORM

Access to the internet is available to all Bettendorf Community School District teachers and students as a source of information and a vehicle of communication. Students will be able to access the internet under teacher supervision (or other approved adult) to conduct curriculum-related research and communication. Board policies that refer to internet usage can be found on the district website under Board Policy 605.6.

Parents or guardians of students who do **NOT** wish to grant student permission to use the internet should complete this form and return to your child's school office no later than two weeks following the start of the school year.

Student Name _____ Grade _____
