**NOTES: Materials are included in all class and workshop fees. There will be activities and supervision during the break between classes. Art activities are fun, but also messy. Please have your student wear appropriate clothes to class. Classes fill up fast. Register now to save your child's place**

## who's who

**Corrine Smith**, Co-Director is an adjunct assistant professor of art at Augustana. She has a B.F.A. from Southern Illinois University and an M.F.A. from the University of Kentucky and exhibits her work internationally.

**Rowen Schussheim-Anderson**, Co-Director is chair of the Art Department at Augustana. She has taught at Augustana since 1982, when she started Kaleidoscope. With a B.F.A. from Rochester Institute of Technology and an M.F.A. from Arizona State University, she exhibits her work internationally.

**Julie Schneider** is the registrar for Kaleidoscope and the secretary of the Art Department.

**Seth Chappell** is a premier puppet creator and artist. He specializes in designing original custom puppets for a variety of mediums, including stage and video.

**Heike Ehlers** has a B.A. from Augustana College and an M.F.A. from the University of Illinois-Urbana. She has taught at the elementary through high school levels.

**Catherine Gehrman** received her BA in Biochemistry from Augustana College. She has worked in the arts with children of all ages.

**Jennifer Heckenkamp** has a B.A. from Augustana College. She teaches in the Moline School District.

**Jennifer Lanphere** received her BA from University of Iowa. She taught for 30 years in the Davenport School system.

**Chris Sederstrom** has a B.A. from Marycrest and an M.A. from Xavier University. She has taught art for 35 years and is also active at the Figge Art Museum.

**Cate Strahl** has a B.A. in Elementary Education from Augustana College. She has worked with students of all ages, and was an assistant at Kaleidoscope before joining the faculty.

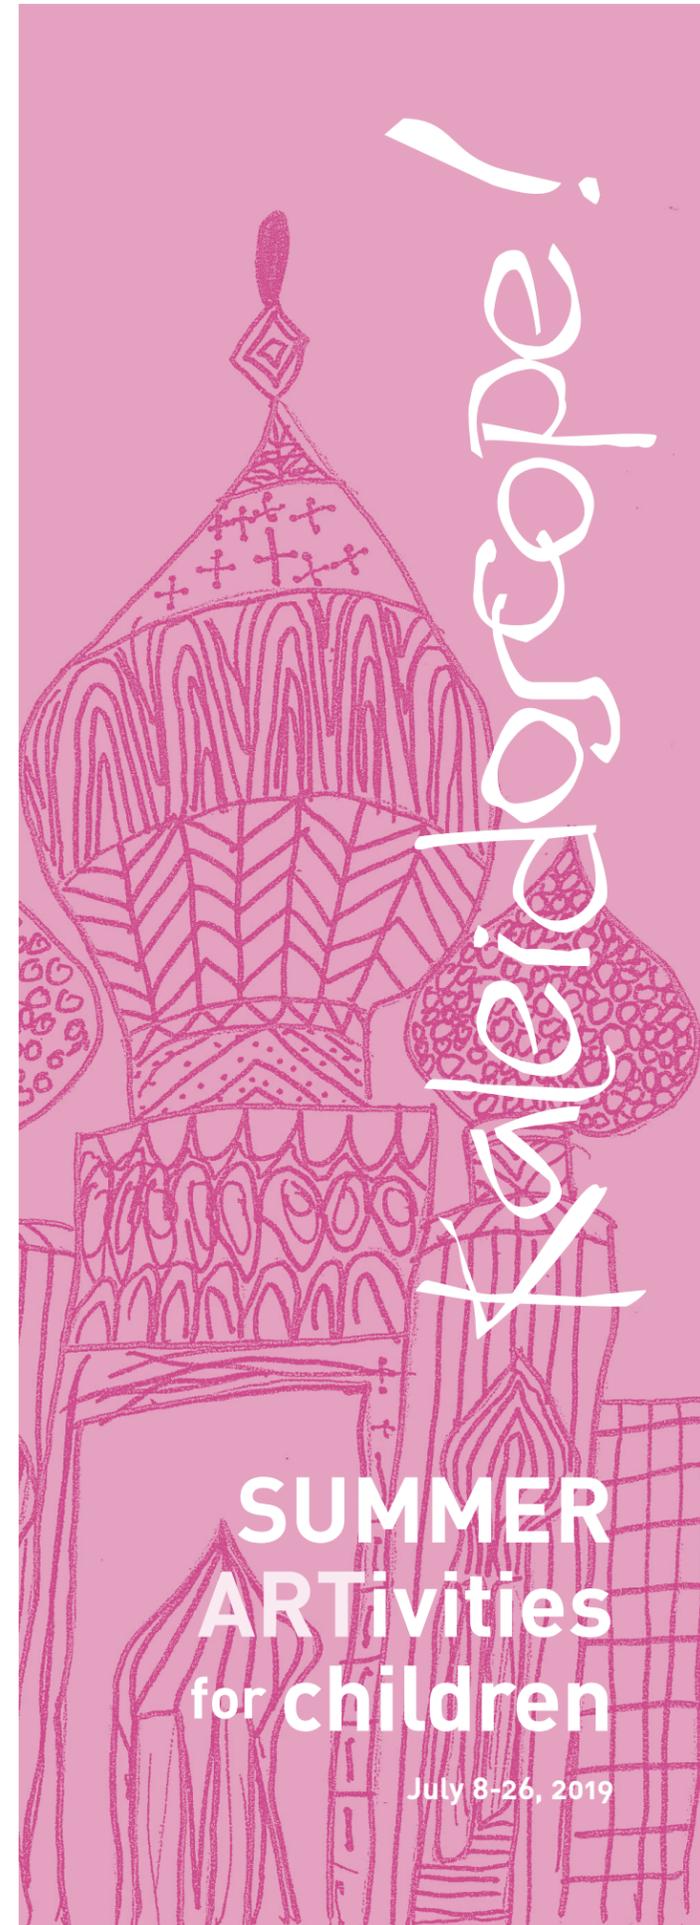

**Kaleidoscope**

# Kaleidoscope!

## SESSION I JULY 8-12

9:30–10:30 a.m.

### Dinosaurs on Parade

They're back!!! Join us in creating a three-dimensional stegosaurus, T-Rex, apatosaurus and more! We'll work with a wide variety of materials to create these amazing animals.

4-6 year olds | Jennifer Lanphere | \$50

### Summertime Fun!

Create a watermelon bowl, flowers, a beach scene and more! Signs of summer will be our inspiration in this multimedia class.

7-9 year olds | Catherine Gehrmann | \$50

### Christmas In July

Ho Ho Ho!!! It's Santa in the Summer! Reindeers in the sun! Elves on the beach! Join us for a week of Christmas creating in the heat of summer. Lots of constructing and collage.

7-9 year olds | Seth Chappell | \$50

### Wild Animal Drawing

Draw your favorite animals from near to far...from foxes and raccoons, to zebras and tigers. Learn drawing basics of proportion and shading, as we use pencil, pen, and chalk media. Receive a sketchpad and pen to take home.

9-12 year olds | Heike Ehlers | \$50

11 a.m.–Noon

### Under the Sea

We'll make fancy fish and other sea creatures to re-create the beautiful world underwater. We'll focus on pattern, color and shape as we paint, collage and construct.

4-6 year olds | Catherine Gehrmann | \$50

### Fish and Friends

Draw and paint fish, turtles, a sea horse and more in this aquatic class. We'll also work with clay and mixed media.

7-9 year olds | Heike Ehlers | \$50

### Multimedia Studio

Learn cartooning with watercolors, create a three-dimensional four-legged friend and a land or cityscape using felt, fabric and paint. We will explore a wide range of materials.

9-12 year olds | Jennifer Lanphere | \$50

### The Briny Deep

Deep in oceans giants swim and play. Make your own whale marionette and let your imagination dive in to the deep.

9-12 year olds | Seth Chappell | \$50

## SESSION II JULY 15-19

9:30–10:30 a.m.

### Storybook Art

Famous children's books will be our inspiration as we re-create characters and things within. We'll draw, paint and collage in this multimedia class.

4-6 year olds | Catherine Gehrmann | \$50

### Spiders From Mars

Spiders, spiders everywhere, even on distant planets! We will create a unique movable creation using a variety of materials.

7-9 year olds | Seth Chappell | \$50

### Shapes of Summer Watercolor Painting

Learn watercolor basics and design techniques, as we paint our favorite summer scenes. Explore mixed media and discover line, shape and texture in our landscapes.

9-12 year olds | Heike Ehlers | \$50

11 a.m.–Noon

### Your own Backyard

Explore drawing and mixed media as we focus on animals and nature found in our own environment. Discover design, color and pattern as we create birds, insects, and more!

4-6 year olds | Catherine Gehrmann | \$50

7-9 year olds | Heike Ehlers | \$50

### New Year's Dragon

Chinese New Year brings out the dragon in this class. Let your imagination run wild to construct a playful Chinese Dragon of your very own using a wide variety of materials.

9-12 year olds | Seth Chappell | \$50

## SESSION III JULY 22-26

9:30–10:30 a.m.

### MONSTERS!

Using a variety of materials and paints, we will construct our own friendly monsters as we work two- and three-dimensionally.

4-6 year olds | Cate Strahl | \$50

### "Paw"sitively Artsy

Let's explore the art processes of building animal sculptures. Wood, clay and many upcycled objects will be used.

7-8 year olds | Chris Sederstrom | \$50

### Artful Metals

Create works of art using bottle caps, nails, foil, tin, and aluminum. We'll paint, sculpt, weave, and emboss with a variety of household metals.

9-12 year olds | Jenn Heckenkamp | \$50

11 a.m.–Noon

### It's Raining Cats and Dogs!

Woof-Woof, Meow-Meow. Join us to create our favorite four legged pets. We'll work two- and three-dimensionally with a variety of materials.

4-6 year olds | Chris Sederstrom | \$50

### Mixed Metal Art

Come paint with foil, create sculptures with pipe cleaners and design a flower from a wire hanger. We'll create a board game with bottle caps in this mixed media class all about metal.

7-8 year olds | Jenn Heckenkamp | \$50

### Neat Nature

We will look at the art of Claude Monet, Georgia O'Keeffe, and Vincent Van Gogh for inspiration. Nature will be our focus as we create our own masterpieces!

9-12 year olds | Cate Strahl | \$50

Pre-registration is required online or by mail. To register online with a credit card, please go to [augustana.edu/kaleidoscope](http://augustana.edu/kaleidoscope).

Payment must accompany all paper registration forms (see reverse side). Please make checks payable to Augustana Kaleidoscope. For more information or brochures, call (309) 794-7729.
