

Board Policy

Code No. 501.5

SCHOOL ATTENDANCE AREAS

Attendance areas and boundaries for each school in this district shall be established upon recommendation of the Superintendent of Schools and approval of the Board of Directors. It is the responsibility of the superintendent to make a recommendation to the board regarding the assigned attendance center for each student. In making the recommendation, the superintendent will consider the geographical layout of the school district, the condition and location of the school district facilities, the actual and potential location of student population, possible transportation difficulties, financial condition of the school district and other factors deemed relevant by the superintendent or the board.

The right to transfer students to equalize learning opportunities shall be reserved by the Superintendent as designated by the Board of Directors.
