

camp kesem

at University of Iowa

- Camp Kesem at University of Iowa was founded in 2016 and is the first chapter in Iowa. This past summer we held our second camp. This year we hope to grow Camp Kesem and serve 55 campers **FREE** of charge.
- 2019 Camp Information:
 - Specific information will be posted later in the year! Please contact us with questions.

Camp Kesem is a nationwide community, driven by passionate college student leaders, that supports children through and beyond their parent's cancer. A program of Kesem, Camp Kesem operates over 100 free summer camps in 40 states for children ages 6 to 18 who have been touched by a parent's cancer.

This camping experience has a lasting impact on children by providing them a peer-support network that understands their unique needs, builds confidence and strengthens their communication skills.

In 2017, Camp Kesem served over 7,000 children coast-to-coast - all funded by generous donations from individuals and corporate support.
