

BCSD NUT AWARE CELEBRATION SNACK LIST

The Bettendorf Community School District nurses, Director of Nutrition Services and administrators have developed a list of safe snacks for students. The list has been developed to ensure all students are safe at school. We have considered feedback from parents and are providing a revised list that may be used for either daily or celebration snacks. Thank you for supporting our district as we strive to provide a safe environment for all students.

Please limit one snack per student. This list is effective between the hours of 8:00 a.m. - 3:30 p.m.

***Items may NOT contain nuts or be made in a facility that uses shared equipment.**

***Items received that are past the printed expiration date will not be accepted.**

***Foods MUST BE store bought, brand name specific, and come in original packaging. IF YOU'RE BRINGING A CELEBRATION FOOD ITEM FOR THE ENTIRE CLASS, THE FOOD MUST BE PREPACKAGED. PLEASE DO NOT PORTION OUT SNACKS FOR THE ENTIRE CLASS AT HOME.**

***The safest method of providing a safe snack is in a prepackaged individual serving. In the event that an item is bought in bulk (e.g., fruits, vegetables, and cheese) and it is for your individual student only:**

- 1. Make sure the item is on the approved snack list.**
- 2. Prior to placing items in plastic baggies, take time to wash your hands, counter space, and any serving utensils with antibacterial soap and water.**

*** If it is medically necessary for your child to have a food alternative not listed on the BCSD Healthy/Safe or Safe Celebration list, you must contact your physician and provide a Dietary Modification Request form available on the BCSD website. The medical reason for the necessary accommodation must be listed as well as a NUT FREE alternative. A physician signature is required.**

***** Every effort was made to ensure the items on this list could be found at local stores.**

***BCSD does not consider all items on this list to be healthy.**

***BCSD does not promote any brand names or stores.**

***The law requires packaging to list any of the eight major allergens but does not require packaging to state if the product was manufactured in a facility that also processes nuts.**

******PLEASE CHECK ALL LABELS BEFORE PURCHASE AS INGREDIENTS CAN CHANGE******
