<b>School/District activities</b>	Currently I am a BCSD school board member (2015-present)
<b>Are you a Bettendorf High School graduate? If so, what year?</b>	No, but both of my kids are (or will be).
<b>What motivates you to want to become a board member?</b>	There are several issues that the district is currently tackling that I would like to see through to the end. I also want to see the CTE program expand, the concurrent enrollment agreement (between Scott Comm College and BHS) get off the ground, and finalize our plan for Edison.
<b>What skills or experiences qualify you to serve as a school board member?</b>	My last four years on the board give me a great foundation and fund of knowledge to continue to serve as a board member.
<b>What specific strengths would you bring to the board?</b>	I'm open to listening to options to solve an issue, but I also possess a set of values and convictions that have served me well throughout my life and lead me to always try to do the right thing, which in this setting, is trying to do the best thing for each and every student and stakeholder in this district.
