Code No. 210.6

QUORUM FOR MEETING

The majority of the Board of Directors shall be necessary to constitute a quorum for the transaction of business. A majority vote of those present, or present via telephone or other electronic method in which the absent board member can both hear and be heard, shall be necessary and sufficient to pass any motion or to take any action of the Board of Directors unless the vote of a greater number with respect to the particular subject matter shall be required by law or other Board policy.

The affirmative vote of two-thirds of the entire membership of the Board of Directors or the affirmative vote of all members present at a meeting where a quorum, but not the entire Board, is present, is required before the Board of Directors can go into closed session.

It is the responsibility of each board member to attend board meetings.
