Bettendorf Board of Education

The Bettendorf Community School District Board of Education represents the residents of the district in its function as a policy-making body.

Meetings & Agendas

The Bettendorf Community School District Board of Education represents the residents of the district in its function as a policy-making body. Each member is a qualified voter elected for a 4-year term. The Board holds two types of meetings: regular and special. By law both types of meetings must be public and must have agendas announced 24 hours in advance.

Agendas and minutes are posted on the board website www.bettendorf.k12.ia.us and on the district Facebook page - www.facebook.com/BettSchools

Regular Board meetings are typically held on the 1st and 3rd Mondays of the month in the Ray Stensvad Board Room - Bettendorf Community School District Administration Center, 3311 18th St., Bettendorf. Please enter through the high school doors by the administration center.

Regular meetings:

- 1) Call to order
- 2) Agenda approval
- 3) Comments and suggestions from audience
- 4) Special invited guests and commendations
- 5) Consent agenda
- 6) Discussion items and reports
- 7) Action items
- 8) Superintendent report
- 9) Future events and informational items

Special meetings are held when matters require action before the next regularly scheduled meeting.

Your Participation

Bettendorf School District residents are encouraged to participate in all school activities, including Board meetings. Residents of the Bettendorf Community School District and parents of District students wishing to present any topic(s) for action by the Board of Directors shall present the topic(s) to the Superintendent or Secretary for inclusion on the agenda of the next regular Board meeting. For citizens wishing to speak on a topic already on the agenda, an opportunity will be extended at the appropriate time. Citizens wishing to comment on a topic not on the agenda may do so during the segment of the meeting listed as: "Comments and Suggestions from the Audience."

Commenting on Items Appearing on the Agenda

You may also present information, ask questions, or comment on topics already on the agenda. With agenda items, usually the Board hears recommendations and data by the administrative staff and then discusses the topic before taking action. The Board will often solicit public input before the Board members' discussion and their action on that item. The President may invite speakers to comment at that time.

To address the Board about an agenda item:

- Prior to the meeting, identify yourself and the item you would like to address to the Board President or Superintendent.
- You can also signal your interest in speaking by raising your hand or standing. Once recognized, you are invited to state your name and address, then make your comments.
- Generally, you will be allowed 3 minutes unless the Board extends the time.

Placing an Item on the Agenda

By law, the Board can only act on items included in the formal agenda (which must be announced 24 hours prior to the meeting where action is sought). The Board may only formally discuss or act on an item if the topic is placed on the official meeting agenda.

It is at the discretion of the Board whether to place an item on the agenda.

Citizen Participation

- Arrangements for formal inclusion on a board agenda should be made in writing to the superintendent at least one week prior to the scheduled Board meeting.
- If an issue is raised which will require the preparation of an agenda item, it will be referred to the Superintendent. The person raising the issue will be informed when it will appear and the meeting date.
- For topics not on the regular agenda, the president will ask if any citizen wishes to speak during the "Comments and Suggestions from the Audience" section of the agenda.
- Before addressing the Board of Directors, speakers shall identify themselves by name and address. If the speaker represents a group, the group should also be identified.
- In general, comments should be limited to no more than three minutes.
- In general, action will not be taken on any item not included on the formal agenda.
