

Board Policy

Code No. 209.7

ADOPTION OF ADMINISTRATIVE RULES AND REGULATIONS

Administrative rules and regulations shall be developed by the Superintendent or designee, and shall be submitted for adoption to the Board of Directors in writing prior to a regular scheduled meeting.

In general, administrative rules and regulations serve to implement the policies of the Board of Directors. While the Board of Directors wishes to be kept informed of regulations that are written to implement its policies, it will not formally review, change, or veto administrative regulations unless they are, in the Board's judgment, contrary to the intent of established Board policy.
