Code No. 209.8

REVIEW OF PROFESSIONAL SERVICES

Professional services provided or contracted on behalf of the school district will be reviewed every three years. Professional services may include the following: legal counsel, district auditor, architect, school physician, and other providers where similar services could be obtained. This review could include such factors as: appropriate placement of the service with the task needed, rates and fees, performance indicators, and other relevant factors. The Superintendent will develop appropriate criteria, a cycle of review, and interview prospective providers of professional services prior to making a recommendation to the Board of Directors.

A recommendation by the Superintendent shall be presented to the Board of Directors for its consideration and official approval before professional services are hired for specific project(s) under consideration.
