

TEEN READ WEEK

UNLEASH YOUR STORY

BY PARTICIPATING IN THE TEEN READING CHALLENGE

OCTOBER 1ST - OCTOBER 22ND, 2017

Each Quad City Area library will compete against one another to see which library's teens will read the most minutes. Will you help Bettendorf Public Library show the Quad city Area that our teens love to read? All you need to do is track your minutes read between October 1st through October 22nd. The minimum amount you need to read is 250 minutes, but you can choose to read more minutes and be entered to win prizes and fame. You can pick up your reading log at the Youth Services Desk at Bettendorf Public Library.

Once you are finished with your reading log, return it to the Youth Services Desk at Bettendorf Public Library by October 26th. You will receive a small reward and a ticket to the Teen Reading Challenge party for your efforts.
