

HAVE INSIGHT OF WHAT'S

IN SIGHT

As a parent or guardian, do you ever ask yourself questions like:

- “Is it okay to look into my child's affairs?”
- “Why the interest in this?”
- “Can you tell me what this is about?”

Learn about hidden messaging and how it relates to drug use (or preoccupation). Learn how to identify drugs and locate hidden or look-a-like compartments. Prevention Specialists are on site to assist you with questions and tips on how to start the conversation with your teen today.

This exhibit is FREE! Must be 19 years of age or older. Set up your appointment today!
