

# Board Policy

Code No. 903.5

## DISTRIBUTION OF MATERIALS

The Board recognizes that students, employees, parents or citizens may want to distribute materials within the school district which are noncurricular. Noncurricular materials to be distributed must be approved by the Assistant Superintendent and meet established standards prior to their distribution. Elementary buildings will use a common distribution day (Friday) once per week for these materials.

It shall be the responsibility of the Superintendent, in conjunction with the building principals, to draft administrative regulations regarding this policy.
