

Board Policy

Code No. 604.4

PROGRAM FOR AT-RISK STUDENTS

The board recognizes some students require additional assistance in order to graduate from the regular education program. The board will provide a plan to encourage and provide an opportunity for at-risk students to achieve their potential and obtain their high school diploma.

It is the responsibility of the superintendent to develop a plan for students at-risk which provides for identifying students, for program evaluation, and for the training of employees.
