The Art of Percussion!

\$15/Family of 4
\$3/extra child

Appropriate for all ages; an adult must be present for each family

Saturday
September 23
10 am - 2 pm

Get in the rhythm at Art of Percussion 2017! This annual family activity is a collaboration between the QC Botanical Center, River Music Experience and the Figge Art Museum. We'll start the day with live music on the Figge plaza. Then we'll head up to the studios to make cool musical instruments with recycled materials. A fun, rhythmic drum circle with Terry Hanson at RME will be the grand finale!

To Pre-register:
