

Board Policy

Code No. 905.1R2

CLUB RULES AND FEES FOR USAGE OF DISTRICT FACILITIES

The following types of non-profit organizations may have access to school facilities: AAU basketball, USVBA volleyball, wrestling club, soccer, swim club, etc. It is the philosophy of the Bettendorf School Board that the District facilities be used by the community in a manner that encourages use but does not detract or interfere with the District's primary mission – the education of children. It is required that one representative of a user group/club will be responsible for developing a usage schedule for their respective user group.

1. The members of club teams shall be primarily Bettendorf Community School District students. This includes Lourdes Catholic School, Rivermont Collegiate, Morning Star Academy and Home School.
2. All teams must be associated with designated affiliate for insurance purposes. Coaches must be sponsored and registered with the affiliated organization.
3. No events may be programmed without being scheduled through the club coordinator and the school district contact person.
4. Scrimmages are to be against other Bettendorf clubs only. No teams outside of the district, even if they are sanctioned, are permitted.
5. Teams are to be in the facilities only during their scheduled times. Late changes, alterations, to the schedule, or dual use of the facility are not permitted. Teams using facilities outside scheduled times or using portions of the facilities not under agreement will be barred from any future use.
6. Coaches are responsible for maintaining the facility with adequate and responsible supervision, cleaning up of all debris, returning of equipment to how it was found, etc. Lights must be turned off and doors secured and the facility restored to its original condition. Any damage done must be communicated to the district contact person immediately. Individuals who willingly damage school property will be responsible for replacement or repair expenses. Property damage may result in immediate termination of the rental contract.
7. The club coach must check out a building key/fob from the building principal or designee and return it to the school at the end of the season. Building keys may not be retained, duplicated, or given to other coaches. Board policy 804.5E1, Key/FOB Checkout Form will be used.
8. Club activities will be scheduled in time slots available after the school day. Since the school serves its students by sponsoring other activities, club activities will be scheduled after these events have concluded.
9. All coaches are expected to maintain a professional and positive relationship with students, parents, and school officials. The school district expects coaches to represent models of appropriate behavior and good sportsmanship.
10. The school district reserves the right to remove any team or coach from the schedule of using facilities for failure to comply with district guidelines.

Rate Policy for Club Activities:

\$25.00/individual participant for those attending Bettendorf Community Schools
\$50.00/individual participant living within Scott Co., but outside the district
\$200.00/individual participant living outside Scott Co.
