

AFTER-SCHOOL

AT BETTENDORF PUBLIC LIBRARY

ACTIVITIES NEW AND OLD

Through funds provided by the Friends of the Bettendorf Public Library, the library has purchased about 20 new board games including giant sized versions of Jenga and Connect Four. We have two new Nintendo Switch consoles with accessories and several games. Craft supplies will also be available for the teens to express their artistic talent. You are invited to explore all of our resources and most importantly have fun!

We encourage participants to join the Teen Advisory Board in order to give input and insight into planning this and other teen programs.
