

February Fun @ Your Library!

Teen Activity Kit

This February there will be a special Valentine's Day themed teen activity kit. Teens will be able to use the included materials to make a bracelet with a special heart charm. There will be a video demonstration to accompany the kit so be sure to check it out on the library's social media channels! Supplies are limited and the kits are on a first come basis. They can be picked up in the Youth Services area.

This activity is funded by the Friends of the Bettendorf Public Library.

There will be a new video series for teens starting in February! Consider Cooking is a series that will focus on quick, easy, and healthy snacks you can make at home using everyday ingredients. Videos will be posted online through the library's social media channels on a regular basis. So tune in for some culinary fun! And remember to always practice safety in the kitchen and be mindful of any food allergies. We hope our recipes will inspire you to be creative and try something new. Enjoy!

This video series is funded by the Friends of the Bettendorf Public Library.
