COVID-19 & Halloween

Trick or Treating Safety

for Trick or Treaters

- Wear a REAL mask while trick-or-treating.
- Trick-or-treat with members of your household only.
- Limit the # of houses you visit.
- Don't crowd at the door; leave space between groups.
- Stay local - don't go to other cities.
- Use sanitizer before eating candy.
- **STAY HOME** if you/someone in your household is sick.

for Handing Out Candy

- Wear a REAL mask when handing out candy.
- Keep sanitizer close by & use often.
- Place the candy into the trick or treater's bag; no reaching in.
- **DON'T TAKE PART** if you/someone in your household is sick.

COVID-19 & Halloween Safety

Consider low/moderate risk activities:

- ✔ Carving/decorating pumpkins
- ✔ Online parties/contests
- ✔ Scavenger hunt-style trick-or-treat search
- ✔ Car parades or small outdoor parades
- ✔ Outdoor or drive-in theater movie nights
- ✔ Dressing up homes and yards for Halloween
- ✔ Outdoor costume party
- ✔ Visiting pumpkin patches/orchards
