Superintendent's Message

2021-2022 School Year Reflection

Dr. Michelle Morse

I am so proud of what we have accomplished together this year!

Watching the commencement of the Class of 2022 and listening to the students recount their educational tenure, we are reminded of the big pictures of our students' experience. All that happens from preschool through their senior year helps shape them into the young adults they are today - the challenges and accomplishments, the relationships they develop and the caring support of teachers, staff and their peers. What was most obvious during commencement was the gratitude, appreciation, and pride of not only the students but also their parents and staff. From custodians, nutrition services staff and bus drivers, to office staff, support staff, teachers and administrators, we all have a part in our students' experience and we all care deeply about our students' education and success.

Our success as a district is accomplished through the perseverance, dedication, and focus of our students, staff, parents, and community. We are so fortunate to have a community that so passionately values the education of its children and the educators that share their wisdom and experience. It would be impossible to have achieved the accomplishments of this year without the support of the community, as well as our faculty, staff, and volunteers.

Through meetings with students throughout the year, they shared their pride, compassion, and suggestions to make their schools even better. I am beyond proud of the insight and responsibility of our students.

As we wrap up the year and move into summer I'd like to thank you all for the privilege of leading the Bettendorf Community School District. I am committed to working in partnership with you to continue to move the district forward toward greater success. Our collaboration is essential to making improvements and preparing our students for the future.

We are working diligently this summer on plans for continual improvement in teaching and learning in the Bettendorf Community School District. We will soon be launching an updated district strategic plan that will guide our work over the next five years. This road map will ensure that all students in the Bettendorf Community School District continue to have access to high-quality learning and supports. We will also continue our work in updating and revising our procedures and protocols with family and staff input to address the safety concerns throughout our district.

Our priority in the district continues to be a fierce dedication to the education and support of all of our students. We will remain solution-focused in collaboration with students, staff and families. We want all our students to graduate from the district as proud of their preschool experience as they are their senior year, and every year in between.

Thank you for your support as we work together to become even BETTER together!

Wishing you all the best!

BCSD 2022 Retirees

Please join us in thanking our retiring staff for their passion, years of service and dedication to the students, families and staff of the Bettendorf School District!

Working Together for Safer Learning Environments

We are committed to working together with staff, students and families to provide a safe learning environment for all.

The Bettendorf Community School District staff cares deeply about all students. We are in a place in society where we have a lot of unrest in many areas. District leadership takes the challenges seriously and is focused on finding solutions in collaboration with parents, students and staff. Our ultimate goal is a safer learning environments for all. Our focus is on solutions concerning student behavior.

Positive Behaviors Interventions & Supports

All schools in the district use Positive Behaviors Interventions and Supports (PBIS) to create a

positive climate where every student can be successful. Teachers and staff work to recognize students who are making the right choices and motivate students to make good decisions. Each building has school-wide positive expectations and behaviors. With each expectation they have also set procedures: what the behavior looks like in classrooms, in the hall and cafeteria, at the drinking fountain, athletic events, etc.

Parent & Staff Work Sessions

In May, district administration hosted a series of work sessions with Bettendorf Middle School students, parents and staff to learn more about their safety concerns and ideas.

Working on Improvements

This summer, a district team is diving into the feedback we received in our work session. They are reflecting on and updating our practices and protocols and behavior matrices. In addition they are looking at opportunities to help reduce the opportunity for incidents by making improvements to classroom locations and learning environments.

Supporting Students in Need School Supply Drive

Help Bettendorf Community School District students have school supplies they need for the 2022-2023 school year!

Composition Notebooks / Spiral Notebooks / Notebook Paper / Pocket Folders / Headphones / Pencils / Pens / Crayons / Washable Markers / Colored Pencils / Watercolor Paints / Erasers / Glue Sticks / Pencil Boxes / Rulers / Scissors

Drop off donations, or checks to support the purchase of school supplies, at the BCSD Administration Center - 3311 18th St., Bettendorf.

Notice of Nondiscrimination

It is the policy of the Bettendorf Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact the Affirmative Action Coordinator, Administration Center, 3311 18th St., Bettendorf, IA 52722, (563) 359-3681 or jdotson@bettendorf.k12.ia.us.

Introducing the Bettendorf High School Class of 2022

We are honored to have been able to help you learn and grow into the successful young adults you are today. Wishing you nothing but the very best! Bulldog pride forever!

Bettendorf Community School District

Physical Plant & Equipment Levy

RENEWAL - VOTER APPROVED PPEL

Tuesday, Sept. 13, 2022

Renovating & Maintaining Existing School Facilities | Funding School Technology, School Buses | Infrastructure & Equipment Upgrades

The Physical Plant & Equipment Levy (PPEL) helps the district maintain its infrastructure and keep up with changing technology. It also helps keep the BCSD school facilities in top condition, the equipment up-to-date and the technology integration plan moving forward for students.

Residents of the school district are being asked to vote on a 10-year extension of the voted Physical Plant and Equipment Levy (PPEL). The fund would raise roughly \$2.3 million per year - more than \$23M over 10 years.

Approval of PPEL will NOT Increase Taxes

This would be a continuation of the existing \$1.34 property tax levy.

THE LAMP

Bettendorf Community Schools Foundation

What does the Bettendorf Community Schools Foundation do?

Provide Funding that Benefits Bettendorf Schools Students & Teachers

The funds are dispersed in the form of scholarships to seniors, innovative classroom grants to teachers to supplement their curriculum, Pride Grants to HS teachers to extend the learning opportunities during Pride block, classroom makeovers, and HAVLife Grants to students between the ages of 10-15 to participate in the arts or athletics. Grants awarded during the 2021/2022 school year made tremendous impacts on the students involved.

BCSF would like to congratulate the graduates of the Class of 2022 and wish them well in their future endeavors!

BCSF is appreciative to the Bettendorf faculty and staff for creating a rich and engaging learning environment for the students. We would also like to thank those who have participated in our Payroll Deduction program for their donations to our mission.

Investing in Our Schools 2023 Property Tax Rate Levy \$12.39

At the April 14 meeting of the Bettendorf Board of Education, directors approved the 2022-2023 levy rate of \$12.39 per \$1,000 taxable valuation, a \$0.47 decrease per \$1,000 taxable valuation compared to the 2021-2022 rate of \$12.86. The district works diligently to manage the overall levy rate and remain a good steward of taxpayer dollars to provide needed resources with the smallest tax burden possible on the community.

Free Breakfast & Lunch Summer Meal Program

Bettendorf Community School District is participating in the Summer Food Service Program. Meals will be provided to all children 1-18 years old without charge and are the same for all children regardless of race, color, national origin, sex, age or disability, and there will be no discrimination in the course of the meal service.

Monday - Friday through July 30. No services July 4-8.

Neil Armstrong Elementary UPDATED LUNCH TIME

Breakfast 8 – 8:30 am | Lunch 12 – 12:45 pm
3311 Central Ave.

The sophomore class of 1978 The Beginning of

"In 1978 we had just finished our sophomore football season with Head Coach Gary Hirsh, Assistant Ted Thompson and Assistant Coach Paul Castro. We were working on an end-of-year questionnaire. As a team, we talked about changing our helmets. Our helmet logo would change every year. I don't think they had the same logo for more than one year in a row, at least while I was in school."

The students talked about colleges and NFL teams using the same logo consistently. At the time the University of Pittsburgh was using a script Pitt. They had won the national championship in 1976 and were always very competitive. The team talked about the idea of a script Bett. They talked about the Pittsburgh Steelers being black and gold like BHS and having their logo on one side of the helmet. They decided that they would like the graphic on one side of the BHS football helmet like Pittsburgh. They also talked about the Hawkeye graphic as they were also rising to prominence in football.

Mike Duncan wrote down the suggestions and turned them into the coaches.

"When I turned the request in as a sophomore, I never thought another thing of it. When we came out as juniors, we had a script of bulldogs on our helmets. Then as seniors, Head Coach Merv Habinecht decided on the Bett on one side of the helmet. It was really cool. BHS has had Bett on the football helmets every year since, except in 1985. That year they had a Hawkeye bulldog. They used it for one year and went back to the Bett."

Over the years, the Bett graphic continued to rise in recognition and prominence through the other HS sports teams, and activities, as well as a high school and a district graphic. When people see the Bett graphic, they instantly think of Bettendorf High School and the Bettendorf school district. The elementaries and middle school have also embraced the pride of the Bett graphic. This past school year, the district launched BETTTogether to help share the stories of relationships in the Bettendorf Community School District and with our community and neighboring schools.

"It's fun to see it grow and to have been a part of it from so long ago."

Mike has a lot of pride in the football team's work on the suggestion. Thank you to the Class of 1981 for launching a graphic that has had an incredible impact over the years and the future of the Bettendorf Community School District.

NOTE: Mike Duncan is a Wellness Teacher in the Pleasant Valley Community School District and JH Head Football Coach. He is completing his 36th year in the district heading to retirement.

Bettendorf High School Varsity Football Team 1981
