

Dear Parents and Teachers!

Our **Library** has a subscription to **TumbleBookLibrary**, and your family and students can access it from anywhere! It's **unlimited**, and it's **FREE** for you to use!

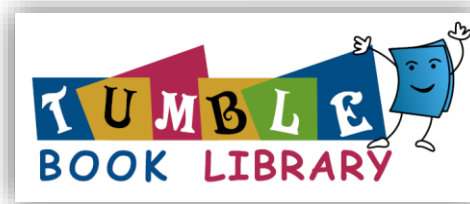

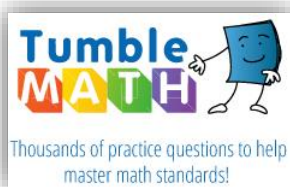

In addition to our general subscription to the **TumbleBookLibrary**, the Bettendorf Public Library now has temporary free access until at least August 31, 2020 to ALL TumbleBook databases, including **TumbleMath** for Grades K-4, **TeenBookCloud** for Grades K-12, **AudioBookCloud** for all ages, **RomanceBookCloud** for adults, **BibliotecaTumble** for Grades K-5, and **BiblioEnfants** for Grades K-5!

The TumbleBook databases include over 250 animated, talking picture books, approximately 1,000 titles for teens, and over 1,000 audiobooks! The site also features Spanish and French books, read-along chapter books, non-fiction books, as well as exciting games, quizzes, and puzzles!

We hope that you will get a chance to check out the collections for your child, your students, and yourself!
