BCSD Daily Home Screening for STUDENTS and STAFF

Please complete this short check each morning.

SECTION 1: Symptoms

If your child has any of the following symptoms, that indicates a possible illness that may decrease the student's ability to learn and also put them at risk for spreading illness to others. Please check your child for these symptoms:

- Temperature 100.4 degrees Fahrenheit or higher when taken by mouth
- New loss of taste or smell
- New cough
- Shortness of Breath or difficulty breathing
- 2 or more of the following: fever, headache, muscle and body aches, fatigue, sore throat, runny nose, congestion, nausea, vomiting, diarrhea

SECTION 2: Close Contact/Potential Exposure

- Had close contact (within 6 feet of an infected person for at least 15 minutes) with a person with confirmed Positive for COVID-19.

If a student or staff member has any one of these boxes checked, you MUST not report to school/work and you MUST contact your Health care provider or Iowa's 211 for further instructions.

Parents **MUST** call the school attendance line and report all of the information in the boxes checked that morning.

Staff, **MUST** call the district Human Resources Department and report all of the information in the boxes checked that morning as well as completing your absence in Aesop.
