Code No. 711.12

USE OF DISTRICT VEHICLES

Generally, use of vehicles for school purposes shall be in a motor vehicle owned by the school district and driven by a licensed school bus driver employed by the school district. In some cases, it may be more economical or efficient for the school district to allow another employee of the district or community member/volunteer to use a school district motor vehicle, other than a school bus to transport equipment or travel to/from school events, meeting and professional development.

School district employees, community members/volunteers who use district vehicles for school purposes must have the permission of the Superintendent or designee, and agrees to an MVR check annually. The drivers must notify the Superintendent or designee of the loss of a license or a suspended license.
