

BCSD Daily Home Screening for Students

Parents: Please complete this short check each morning and report your child's information to your students school in the morning before your child leaves for school.

SECTION 1: Symptoms

If your child has any of the following symptoms, that indicates a possible illness that may decrease the student's ability to learn and also put them at risk for spreading illness to others. Please check your child for these symptoms:

- Temperature 100.4 degrees Fahrenheit or higher when taken by mouth
- Sore throat
- New uncontrolled cough that causes difficulty breathing (for students with chronic allergic/asthmatic cough, a change in their cough from baseline)
- Diarrhea, vomiting, or abdominal pain
- or New onset of severe headache, especially with a fever.

SECTION 2: Close Contact/Potential Exposure

- Had close contact (within 6 feet of an infected person for at least 15 minutes) with a person with confirmed COVID-19: OR
- Had close contact (within 6 feet of an infected person for at least 15 minutes) with person under quarantine for possible exposure to SARS-CoV-2; OR
- Traveled to or lived in an area where the local, Tribal, territorial, or state health department is reporting large numbers of COVID-19 cases as described in the [Community Mitigation Framework](#)
- Live in areas of high community transmission (as described in the [Community Mitigation Framework](#)) while the school remains open

If the student/parent/caregiver answers YES to any question in Section 1 but NO to any questions in Section 2, the student would be excused from school until symptom-free for 24 hours without fever reducing medications.

If the student or parent or caregiver answers YES to any question in Section 1 and YES to any question in Section 2, please contact your healthcare provider or IDPH (Iowa Department of Public Health) 211 Hotline.
