

Board Policy

Code No. 210.10

ORDER OF REGULAR BUSINESS MEETINGS FOR THE BOARD

Insofar as practicable, the order of business at all meetings shall be as follows:

1. Call to order
2. Agenda Approval
3. Commendations & Special Invited Guests
4. Comments and Suggestions from the Audience
5. Board Learning
6. Consent
7. Shared Communications and Committee Reports
8. Discussion Items & Reports
9. Action Items
10. Management Report
11. Future Events and Information Items
12. Adjournment

The tentative agenda, required by the Open Meetings Law to be included with the notice given at least 24 hours before the meeting, shall be specific enough to properly inform the public of the business before the Board of Directors. The tentative agenda can be amended within the 24-hour notice period only if good cause exists requiring action on additional matters. If such matters are added, a statement to that effect should be entered in the minutes, and as much advance notice as possible should be given to the public and the media. This is not meant to prevent the Board members or members of the public or the staff from introducing items for discussion only; action on discussion items, however, must normally be deferred to a subsequent meeting when the legally required notice can be given.
