Code No. 602.4

## PILOT – EXPERIMENTAL- INNOVATIVE PROGRAMS

The district supports the development of innovative pilot programs which will further enhance student achievement and school improvement initiatives. Pilot programs may originate from any staff member in the district.

With approval of the administrative team, innovative instructional programs may be piloted through an action research model to determine the instructional program's effectiveness prior to presentation to the Board of Directors for adoption. The Board shall also be informed of all pilot programs prior to their implementation.
