## CAMPUS PARENT PORTAL ACCEPTABLE USE POLICY

Bettendorf Community School District uses Campus Parent Portal as a means to further promote educational excellence and to enhance communication with parents. The portal allows parents to view their child's unofficial school records through a web browser at any time and from anywhere there is an internet connection. The portal is available to every parent or guardian of a student enrolled in Bettendorf schools.

***Please list all of your children currently enrolled or being enrolled in the Bettendorf schools. If you have already signed up for a Campus Parent Portal account, you do not need to complete another Acceptable Use Form. Additional students will be added to your parent account.***

## **Update Student Contact Information**

Parents can update their household, family member and non-household contact information through their Campus Parent Portal account.

### **Cell Phone & Email**

Select Family Members | Student & Parent - Cell Phone & Email

### **Phone & Address**

Select Household Information | Phone & Address

A change of address will require you to provide proof of your new residency to your building within five business days.

**High school & middle school** – Bring proof of residency to the guidance office

**Elementary schools** – Bring proof of residency to the main office.

Proof of residency reflecting your name and address must be one of the following: an approved offer to purchase or build a home, a signed lease agreement, a utility bill (not a cable or phone bill) or property tax bill, or a letter from a utility company stating that the parent has established service at the resident address. Driver's licenses and mail, other than those listed above, will not be accepted.

### **Emergency Contacts**

Select a Student then Demographics | Emergency Contacts

Update & delete your student's emergency contacts and information. The ability to update is available only to the designated primary address parent on Infinite Campus. You will need to update each student individually. Information will not automatically update. There is a building/district approval system in place. Once your request is approved and the change is made, you will receive a confirmation in your Parent Campus Portal account. Contact your school to **add new** emergency contacts.

## **PaySchools - Online Payments**

PaySchools is an online payment processing system that allows parents to make school-related (including lunch account) payments via e-check or credit card. There is no charge for using the system. Parents log in to PaySchools using their Campus Parent Portal ID and child's birthdate. Once logged in parents can view information for all of their children.

PaySchool login links are available on the district and school websites - <http://bettendorf.k12.ia.us>
