ARTICLE VI –
LEAVES

6.1 Personal Leave: Each employee will be allowed two (2) days leave without loss of pay each school year, provided the employee's immediate supervisor is given five (5) work days advance notice (except in the case of emergency). In addition, personal leave may not be taken before or after any holiday, non-work day, fall, winter or spring breaks or during the first or last five days of the school year. Personal leave may not be taken on the employee's first assigned workday before or after non-working breaks. However, permission may be granted by the Superintendent or the designee in exceptional cases. Decisions regarding such exceptional cases are not grievable.

At the end of each school year, up to three (3) days of unused personal leave will be carried over to an accumulated maximum of five (5) days available in the next school year. To use five (5) days consecutively requires Superintendent/designee approval. This decision is final and cannot be grieved. Any unused personal leave beyond that will be converted to sick leave.

Employees who work four (4) hours per day or less will be allowed one (1) day leave without loss of pay each school year following the same guidelines.

6.2 - Sick Leave: Employees shall be granted days of absence with pay for personal illness or injury not covered by worker's compensation, per year in the following amounts:

10-Month Employees – 15 Days

12-Month Employees – 18 Days

Each year's allotted sick leave is initiated upon the employee's first day of work for that school year. An employee may be required to present medical proof of sickness, injury, or inability to return to work for absences of three (3) consecutive days or more; however, in cases of suspected abuse the employee shall be informed of such suspicion and that medical proof may be required on subsequent absence, in addition to any disciplinary action that may be taken. The District reserves the right to request a second opinion at the District's expense.

6.3 - Non-Critical Family Illness Leave: An employee, upon application to and approval by the Superintendent or the Superintendent's designee, shall be granted up to five (5) days of emergency leave each school year without loss of pay for serious, critical, or non-critical illness in the employee's immediate family (defined as the employee's spouse, child (or dependent minor living in the home), grandchildren, parent, brother, sister, father-in-law, mother-in-law, daughter-in-law or son-in law). In the event that all non-critical family illness leave has been used, up to five (5) days of additional leave shall be taken from the employee's available sick leave. An employee may be required to present medical proof of sickness for absences of five (5) consecutive days or more; however, in cases of suspected abuse the employee shall be informed of such suspicion and that medical proof may be required on subsequent absence, in addition to any disciplinary action that may be taken.

6.4 - Bereavement Leave: An employee shall be granted up to seven (7) working days leave of absence with pay per incident in the event of a death in the employee's immediate family, which is defined as the employee's spouse, child, grandchildren, parent, brother, sister, father-in-law, mother-in-law, son-in-law or daughter-in-law. An employee shall be granted up to two (2) days leave of absence with pay in the event of a death of the employee's grandparents, spouse's grandparents, sister-in-law, brother-in-law, grandchildren, aunts, uncles, nieces, or nephews. Adopted children and step relatives are included in the above leaves. Non-consecutive bereavement leave may be taken with at least five (5) work days' notice to the Office of Human Resources. See also Compassion Leave 10.5. An employee shall be granted one (1) day of leave with pay per school year in the event of a death of a friend.

6.5 - Compassion Leave: Where all existing leave has been used or that leave is not appropriate to the situation, an employee, may, upon application to and approval by the Superintendent or the Superintendent's designee, be granted compassion leave, i.e., when a unique relationship or care-giving responsibility exists (which would not be precedent setting, would not be subject to grievance and would occur with no loss of seniority or experience previously established).

When an Employee has a domestic partner, the Superintendent or Superintendent's designee may provide the Employee the leave allowed for a spouse under the subsections 10.3 and 10.4

6.6 - Parental Leave: Extended unpaid leaves of absence may be granted for reasons of parental responsibility upon written request to the Superintendent or Superintendent's designee. The leave, if granted, shall be for the entire year or for the conclusion of the semester during which the leave commenced or for the conclusion of the school year. If the request is for the entire year, such request shall be made no later than March 1 for the following year in which the request is made. If the request for leave shall be for the conclusion of the semester during which the leave will commence or for the conclusion of the school year, the request shall be made at least two months prior to the date of anticipated need.

Such leave shall be with no credit toward salary or seniority increments and without fringe benefits. Employees returning from such leave shall retain all experience credit previously established and sick leave accumulated prior to the commencement of such leave. Insurance benefits may be continued by the employee upon payment of premiums to the Employer and acceptance by the carrier. It is understood and agreed that such leave constitutes no guarantee that such employee will be assigned to the employee's former position at the conclusion of such leave, only that the employee will be returned to a position for which proper certification is held. Unless notification of intent to return is furnished by March 1 of the year of the leave, a position with the Bettendorf Community School District will not be held.

The leave must be for the approved specified time period unless mutual agreement is reached between the employee and the Superintendent for early reinstatement.

6.7 - Professional Leave: Employees may be permitted to attend professional conferences, seminars or meetings or to visit other schools, for work related purposes, upon advance approval by the Superintendent or the Superintendent's designee, pending availability of guest staff.

Employees authorized to engage in such activities may be allocated appropriate travel, meal, lodging and registration expenses upon application to and approval by the Superintendent or the Superintendent's designee.

6.8 - Jury and Witness Duty: Any employee required to perform jury duty or to appear to testify (including proceedings where an employee's attendance is required by the Employer) during an Employee's working time shall be granted leave for such purpose and shall receive the difference in compensation between the employee's normal compensation and compensation received from such duty. Personal leave will be used for attendance in personal proceedings involving the employee.

When called to serve on jury duty, employees must elect to be paid for services. The employee does not need to turn in the check to the district. The employee may cash the check received for services. The district will automatically deduct the daily service rate from payroll. Employees must ask for a service summary from the Clerk of the Court which details the daily rate of pay. This is to be submitted to the Payroll Department for processing.

6.9 - Family Medical Leave Act: The District shall comply with the provisions of the Family Medical Leave Act, consistent with Board Policy. (See Board Policy 403.8)

6.10 – Union Leave: Officers of the Association shall be granted a cumulative total of up to two (2) working days leave with pay each school year upon ten (10) days advance written notice to the appropriate building principal. This shall not be used for political activities.

6.11 – Serious Health Leave: An unpaid leave of absence may be granted for employees dealing with serious health conditions, other than maternity, or extenuating care giving situations for immediate family. The District may grant up to a maximum of 12 weeks to run concurrently with any available and appropriate paid leave. It is understood and agreed that such leave constitutes not guarantee that the employee will be assigned to the employee's former position at the conclusion of such leave, only that the employee will be returned to a position for which they are qualified.

ARTICLE VII -- HEALTH AND SAFETY

7.1 - Physical Fitness - New Employees: All new employees upon initial employment shall provide satisfactory medical evidence of physical fitness to perform assigned duties and freedom from communicable disease. Forms for such purpose shall be provided by the Employer. The employment physical shall be paid by the employer and will be conducted by a contracted provider selected by the District. If the new employee sees a doctor of his/her own choosing, it will be at the employee's expense. Each new employee shall be advised in writing of the physical fitness requirements at the time of employment. Failure to notify the employee of such requirements shall not deprive the employee of any wages or benefits under this agreement prior to fulfilling the physical fitness requirement.

7.2 Physical Fitness-Continuing Employees: Employees whose physical condition may be questioned by the Employer shall present satisfactory medical evidence when requested. The District reserves the right to request a second opinion at the District's expense.

ARTICLE VIII -- PERSONNEL FILES

An Employee's personnel file shall be available for the Employee's inspection. Employees shall have the right to review and reproduce the contents of their personnel file. A representative of the Union, at the Employee's request, may accompany the Employee in this review. The Employee shall have the right to respond to all materials contained in the file, which responses shall become a part of the file. Copies of any materials evaluative in nature or relating to the Employee's work which are placed in the personnel file are to be provided to the Employee at the time of its placement in the file. The Employee shall sign and date the material at the time it is placed in the file. The signature shall mean awareness of the material and not agreement.

ARTICLE IX -- ACTIVITY PASSES

The Employer shall determine the procedure for the issuance of such passes.

ARTICLE X-- GRIEVANCE PROCEDURE

10.1 - Process: Purpose - The purpose of this procedure is to provide a prompt, orderly method for securing, at the lowest possible level, an equitable solution to grievances. Both parties agree that grievance proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.

Definition - A "Grievance" is defined as a claim by an employee or the Union that there has been a violation, misinterpretation or misapplication of a specific provision of this agreement.

Any grievance shall be processed in the following manner:

An aggrieved employee or the Union, by its designated representative, (hereinafter severally called the "grievant") shall attempt to resolve the grievance informally, within twenty (20) working days of its occurrence (or within twenty [20] working days after such occurrence is known to the grievant) by informal discussion with the appropriate immediate supervisor. An

aggrieved employee, at the employee's option, may be accompanied by a Union representative of the employee's choosing. The immediate supervisor will reply orally (or in writing if requested by the grievant) within five (5) working days after discussion of the grievance.

Level I: If, after discussion with the grievant's immediate supervisor the grievance is not settled and the grievant wishes to appeal the grievance to Level I, the grievant will reduce the grievance to writing (on the form attached to this agreement as Schedule "B"), and submit it to the appropriate supervisor within five (5) working days after receipt of the immediate supervisor's oral or written answer. The written grievance shall contain a clear and concise statement of the alleged grievance, including the facts upon which the grievance is based, the issues involved, the provisions of this Agreement involved, and the relief sought. The supervisor shall provide a written answer to the grievant within five (5) working days after receipt of the written grievance.

Level II: If the grievance is not settled at Level I and the grievant wishes to appeal the grievance to Level II, the written grievance shall be submitted to the Superintendent or the Superintendent's designee within five (5) working days after receipt of the supervisor's written answer. The Superintendent or Superintendent's designee will, if requested by the grievant, meet with the grievant within five (5) working days after receipt of the grievance and give written response within ten (10) working days after the meeting.

Level III: Grievances not settled at Level II of the grievance procedure may be appealed to the School Board by the Association by written notice of a request for a hearing, submitted to the School Board Secretary within ten (10) working days of receipt of the Superintendent's answer in Level II. Within ten (10) working days after written notice of appeal to the School Board, the Superintendent and the Association shall set a mutually acceptable date for appeal to be held in private session with the School Board at the mutually agreed upon date. The School Board shall issue its decision no later than fifteen (15) working days from the date of the close of the appeal. The board's decision shall be in writing and shall set forth its findings of fact, reasoning and conclusions on the issues submitted. The decision of the School Board shall not add to, subtract from, or modify the provisions of this agreement and shall be final and binding on the parties.

The failure of any employee or the Union or its representatives to appeal a grievance to the next level within the time limits specified above shall bar further appeal, provided, however, the failure of the Employer's specified representatives to answer a grievance within applicable time limits shall constitute a denial and permit appeal to the next level, and provided further any such time limits may be extended by mutual agreement.

All grievances at Levels I and II shall be presented, discussed and processed on employees' non-working time. "Non-working" time is defined as before and after the normal workday, and during the employees' duty-free lunch periods provided the employee has no contractual assignments during such time.

Any employee whose presence is necessary at Level III hearing will be allowed to use his/her personal leave for such purpose or may elect to take the day off with pay. In the latter case, the employee is responsible for paying the cost of the substitute. This time may be taken in only 1/2 day increments.

ARTICLE XI -- COMPLIANCE CLAUSES AND DURATION

11.1 - Individual Contracts: Any individual contract or agreement of employment between the Employer and an Employee covered by this Agreement may not be inconsistent with the terms of this Agreement, and if any such individual contract or agreement is inconsistent with the terms of the Agreement, this Agreement, during its duration shall control.

11.2 - Separability: If any provision of this Agreement is determined to be contrary to law, then such provision shall not be valid and subsisting, but all other provisions of this Agreement shall remain in full force and effect.

11.3 - Printing Agreement: Copies of this Agreement shall be made available online for all employees. Employees may request a printed copy from the Human Resource department or print from the district website.

11.4 - Complete Agreement: This Agreement constitutes the entire agreement between the parties hereto and any modifications of this Agreement shall be in writing and duly executed by both parties hereto. Such modifications may be made at any time by mutual agreement.

11.5 - Duration: This agreement shall be effective from July 1, 2020, and shall continue in full force and effect until June 30, 2025. The contract shall be opened each year of this agreement for discussion of base wages and any other mutually agreed upon items.
